RULES AND REGULATIONS CONCERNING SUPPORT STAFF PERSONNEL

The Board, upon recommendation of the Superintendent, shall employ, assign, transfer, reclassify, and terminate the service of support staff personnel and approve rules and regulations governing their employment.

This handbook is intended to provide general information about the operation, practices, and procedures of the school district. **It is not a contract, and should not be relied upon as such.** The Board of Education may change policies at any time, and the administration may change rules, regulations or handbook provisions at any time. Copies of board policies are available on our website, www.creteschools.com. If you have questions about the handbook or policies, direct your questions to the building principal or superintendent of schools.

EMPLOYMENT

Support staff personnel are hired as “at will” employees and the duties of the employee are subject to the assignment by the Superintendent and the employee’s supervisor. The offer of employment creates no property right in continued employment.

2. Technology Assistant

SALARY SCHEDULE

All employees placed on the support staff salary schedule shall receive their new salary status and classification in conjunction with the new school year for the school district. New salary and benefits shall be effective beginning with September paychecks of each year and continue without change unless by action of the Board at a regularly scheduled meeting, until the end of the July payroll period.

Initial wage placement for hourly employees will be according to rates determined annually by the Board of Education. Salary adjustments for all support staff will be considered prior to the beginning of the new school year.

New employees must have worked for the district no less than four calendar months to be eligible for the first step on the longevity column of the salary schedule.

SUBSTITUTE PAY

Temporary and substitute employees will be paid according to the salary schedule approved by the Board of Education. All substitutes who work at the same assignment for more than ten consecutive days, will receive the substitute rate of pay plus \$.50 per hour beginning with the eleventh day. Leave benefits applying to the job in the care of the substitute, if the substitute has held that position during the entire sixty (60) days, may be thereafter granted to that substitute.

PARAS SUBBING FOR TEACHERS

If a para is also a certified teacher and substitutes for a teacher during the teacher's prep time, the para is paid \$22 per hour.

PAYROLL

Nine month employees may elect to annualize their compensation over twelve equal installments.

1. Due to recent IRS regulations, you must make a written election to have your compensation annualized.
2. IRS regulations provide that, once you have signed the agreement, you may not revoke it.

All personnel shall be paid once each month, through direct deposit, on the fifteenth (15th) day of the month or the Friday before the 15th if the 15th falls on a weekend. The pay stub reflects time worked from the first of the preceding month to the end of that month.

It is the responsibility of the employee to be sure that the account numbers and routing numbers are current and correct for direct deposit.

TIME CLOCKS

Hourly employees shall clock in daily using technology provided. If time management technology is not available in the work area, personnel shall turn in time cards weekly; such cards shall be signed by the employee's immediate supervisor to verify the work record on the time card. **It is the responsibility of the employee to clock in and out and to be sure all necessary information is to the bookkeeper by the end of the month in order to be paid on the 15th of the following month.**

OVERTIME

All overtime work must be approved by the immediate supervisor before the work is performed.

Hourly employees will be paid at the rate of one and one-half their normal rate of pay for any work hours exceeding 40 hours in one week.

Meetings scheduled beyond the normal working hours for the day will be paid at the normal rate of pay for the employee except when such hours would result in a total of over 40 hours for the employee's work week, in which case time and one-half will be paid for the number of hours exceeding the 40 hours. A week shall be defined as Sunday through Saturday.

COMPENSATORY TIME

Compensatory time may be taken in lieu of payment for extra hours worked, if proper forms are filed. No more than 150 hours may be accumulated at any one time. A week shall be defined as Sunday through Saturday.

WEATHER DAYS

When inclement weather or other reasons force a cancellation of school, hourly employees who have not been notified and present themselves for work shall be guaranteed a minimum of pay equal to one hour at their normal rate of pay. Employees asked to remain home, as a usual policy on such days shall not report to work unless specifically requested to do so. No sick leave or other leave will be granted during such days unless the employee has been specifically required to report for work and cannot because of illness or other reasons as allowed by other Rules and Regulations. Personal leave may be granted upon request to hourly employees for weather days. Twelve-month employees may request vacation during school cancellation days unless specifically requested to report to work.

PHYSICAL OR MENTAL EXAMINATION

A physical or mental examination may be required at any time by the Board of Education if a question arises regarding an employee's health interfering with his or her adequate contractual performance. Such examination shall be at the board's expense and performed by a physician who shall be named by the board. Results of the examination shall be provided to the Board of Education, in compliance with the Privacy Act.

TERMINATION OF EMPLOYMENT

COMPENSATION UPON TERMINATION

The offer of employment creates no property right in continued employment and may be terminated by either party, with or without cause or hearing, upon giving two (2) calendar weeks notice. The Superintendent may, acting upon his or her own initiative, terminate the employee's employment and such termination will be effective two (2) calendar weeks from the date of the Superintendent's notice. (See Current Salary Schedule.)

FRINGE BENEFITS

The professional health employees will receive all fringe benefits and leaves as the staff covered by the negotiated agreement with the Crete Education Association for the current year.

HEALTH INSURANCE

12 MONTH EMPLOYEES

Twelve month (full time) employees in categories 1 through 7, and categories 8 and 9 will be entitled to family, employee/spouse, employee/child or single coverage as their dependent status requires. Employees may also choose a high deductible plan that allows them to save money for health expenses in a Health Savings Account.

For 12-month employees who work less than 8 hours per day, the district will pay a prorated share of the health insurance premium based on the employee's percentage of employment.

9-11 MONTH EMPLOYEES

Support staff employees who work 9-11 months may choose to participate in the District's health insurance program. For those who work full-time for 9 months the District will pay the equivalent of 75% of the cost of a single PPO premium. For 10 month employees, the District will pay the equivalent of 83%, and for 11 month employees 92% of the cost of a single plan. The balance of the premium of whichever plan the employee chooses (single, employee/child, employee/spouse, or family) will be paid by the employee through payroll deductions. If a 9, 10 or 11 month employee works less than full-time, but 20 hours or more per week, the percent of health insurance paid will be prorated. Employees may also choose a high deductible plan (HDHP) that allows them to save money for health expenses in a Health Savings Account. The lower premium of the HDHP results in a lower amount the employee pays. Check with the school business office for details of the current deductibles and costs to the employee for each plan.

If a 9, 10 or 11 month employee works another job in the summer to get to 12 months of employment, this does not entitle that employee to the health insurance plan provided to twelve month (full-time) employees.

LONG-TERM DISABILITY INSURANCE

All support staff employees who work 20 hours a week or more will be covered under the long-term disability insurance plan of the district at no cost to the employee.

403B Tax Sheltered Savings

All employees who work an average of 20 hours per week during the school year may contribute to a 403B approved account through a pre-tax payroll deduction. This allows the employee to save extra money for retirement on a tax-deferred basis. To initiate this deduction see the school business manager or bookkeeper.

RETIREMENT

All support staff are eligible to join the Nebraska Public Employee Retirement System (NPERS). According to regulations from NPERS, employees who work twenty (20) hours a week or more must be enrolled in NPERS. As a member of NPERS employees contribute a percent of their gross compensation. The employee contribution rate is set by the Public Employees Retirement Board. The district is required by retirement law to contribute to NPERS at the rate of 101% of the employee contribution.

HOLIDAY PAY

All support staff who work 30 hours a week or more will receive pay for approved holidays, which fall in their normal work schedule. If the holiday falls on a Saturday, the Friday before the holiday will be observed as the holiday. If the holiday falls on a Sunday, the Monday following the holiday will be observed as the holiday. Approved holidays are as follows:

- Labor Day
- Thanksgiving Day
- Day after Thanksgiving
- Christmas Day
- New Year's Day
- Good Friday
- Memorial Day
- Independence Day

Christmas Eve Day will be observed as a paid holiday for all 12-month employees. When Christmas Eve day falls on a Saturday or Sunday, the Friday before will be observed as a holiday. When Christmas Eve Day falls on a Friday, the Thursday before will be observed as a holiday.

PAID VACATIONS

Support staff employees who work twelve months of the year will annually receive ten days paid vacation, fifteen days paid vacation after ten years of continuous service and twenty days paid vacation after twenty years of continuous service. Vacation hours will be credited monthly according to the employee's time of service (6.67) hours/month for up to 10 years of service, 10 hours/month for 11 to 20 years of service, 13.33 hours/month for 21 or more years of service). No more than five days vacation may be carried over into the next year. Due to the work to be done during summer months and the need for employees to be on duty during scheduled school days, vacations will be arranged with the immediate supervisor. Employees working a 9-month position and adding a summer position to work all 12 months are not entitled to accumulate vacation.

It shall be the policy of the Crete Public Schools to provide an environment free of sexual harassment of employees, applicants for employment, and students on any work premises where the District has total control of the premises or can otherwise lawfully exert its jurisdiction. If prescribed acts as are set forth in this policy occur on such premises, the superintendent or his/her designee shall undertake immediate and appropriate action, within the bounds of the law, to punish as appropriate any violations of this policy or of applicable law pertaining to sexual harassment and shall undertake immediate and appropriate action to prevent any such conduct in the future.

As used in this policy, the word "employee" shall mean any person who is an employee, or any former employee who alleges to have quit, to have been fired, or to have been constructively terminated as a result of sexual harassment as that term is defined in this policy or by other applicable law.

As used in this policy the word "student" shall mean any resident student of the district, any student being served by contract with another educational agency, or any other person of school-age attending the district for educational reasons.

The following acts are specifically prohibited by this policy:

2. Unwelcome advances, requests for sexual favors, verbal or physical conduct of a sexual nature, submission to which or rejection of which by any employee is used as basis for any employment decision such as, but not limited to, rate of pay, promotion, favorable evaluations, whether formal or informal, or the conferring of job responsibility.

It shall be the policy of the District to receive information from any person concerning allegations of conduct prohibited by this policy on a form which shall be distributed to all employees of the District at the commencement of their employment or as soon thereafter as is reasonable or within a reasonable time following the operative date of this policy, whichever date is applicable.

Availability of the form shall be made known to all students in grades Kindergarten through Twelfth. Information pertaining to the availability of such complaint forms shall be made known to the parents of all other students in a reasonable manner. An adequate number of copies of the complaint shall be maintained within the superintendent's control and shall be available to any person protected by this policy. Upon receipt of any complaint upon the form prescribed by this policy, the superintendent shall be informed of the allegation within 24 hours of the said report. At all times, the information given and any report thereof must and will be kept confidential between the parties. At this point the superintendent and his/her designee shall confer with the person or persons against whom the complaint has been lodged and shall give such person or persons a fair opportunity to present his or her version of the facts involved in the complaint, as well as to be informed of the name of the complaining party, the allegations of the complaining party, the names of all corroborating or refuting witnesses, as well as any statements or allegations made by any such witnesses which are known to the superintendent or his/her designee.

Nothing in this policy shall be construed to require the superintendent to take disciplinary action not within his or her legal authority. In the event action is required, which by law would require Board action, the superintendent shall undertake such proceeding as may be required by law to bring before the Board such matter of proposed discipline involving the person against whom the complaint was lodged.

The Board by this policy also recognizes a desire to protect its employees against non-employees at the work place as well as to protect non-employees from employees at the work place. From time to time as deemed appropriate the superintendent shall address the subject of sexual harassment with the employees of the District by way of in-service training, selected by the superintendent or his/her designee to make known the contents and application of this policy. While this policy shall not be construed to obligate the District to take actions other than are required by law to prohibit and prevent sexual harassment, it is the spirit of this policy to undertake all reasonable effort to prohibit sexual harassment in the work place regardless of by whom it is perpetrated and regardless of by whom it is suffered.

Nothing in this policy, not any of the terms and conditions attendant to the complaint or used by the District, not terms or conditions of the consent form used by the complaining party shall be construed to prevent the superintendent or his/her designee from engaging in other action against any person engaging in conduct prohibited by this policy to authorities other than the administration or Board of Education of the District when such action is required or permitted by law. Such actions may be, but are not limited to, providing information to any appropriate prosecuting authority, filing a report concerning any incident complained of with appropriate agencies, including, but not limited to, the Professional Practices Commission, the Nebraska

Department of Education, the U.S. Office of Education, and any appropriate departmental office of civil rights. Notwithstanding the duty placed on the superintendent or his/her designee to accommodate the right of privacy of any complaining party, the superintendent or his/her designee shall be permitted by this policy to make such disclosure to witnesses, agencies, prosecutorial personnel, the Board of Education, and any other person entitled or obligated to be informed of any complaint brought under this policy when any state or federal statute, applicable case law, applicable agency state or federal statute, applicable case law, applicable agency law or any other appropriate body of law mandates such reporting.

It shall further be the policy of the District to strictly prohibit use of any electronic medium including, but not limited to, the Internet, telephones, electronic mail, fax machines, or any other means of communicating electronically in such a manner as to create a hostile working environment. It shall be contrary to this policy to use any electronic medium for such purposes as, but not limited to, uttering profane messages, uttering sexually explicit or sexually innuendo oriented material, soliciting romantic involvement, uttering obscene or offensive material of a sexual nature in any manner. It shall be the policy of the District that this prohibition shall run as to all interpersonal communications of the District and this prohibition shall run to such persons whether or not prohibited communications as described in this paragraph arise to the legal standard of sexual harassment or not.

Nothing in this policy shall be construed to prevent the superintendent or his/her designee from taking any remedial action as is in the best interest of the District toward the goal of preventing sexual harassment of employees of the District in the workplace. Ref. Board of Ed Policy #3411
